

2022 Programs of College of Chinese & ASEAN Arts

(Admission for International Applicants)

In case of any dispute or misunderstanding relating to interpreting the language or terms used in this document, the Chinese language version shall prevail.

I. Introduction of the College

The College of Chinese & ASEAN Arts of Chengdu University is a comprehensive art institute approved by the Chengdu Municipal People's government. It is establishing to actively integrate into the national "Belt and Road" construction, vigorously demonstrate the charm of Sichuan culture while expanding international cultural exchanges, in the vision of building a world-famous city with cultural and creative industries. Based on the art education experience at Chengdu University, the College operates per the new system and mechanism and has relatively independent operation autonomy. The College is also a critical cultural and educational project supported by Chengdu city.

College of Chinese & ASEAN Arts consists of 4 units of teaching departments: School of Fine Arts and Design, School of Music and Dance, School of Film and Animation, and International Department. More than 3600 full-time students, including 400 international students. The College has nine undergraduate majors, including animation, visual communication design, product design, radio & television editing, qualified as Five-Star-Level majors in China. The College is also qualified to grant a master's degree in design, fine art, music performance, radio and television.

II. Eligibility

A. Undergraduate Programs

1. The applicants must be foreign citizens with good physical and mental health. The candidate must provide a certificate of graduation from high school.
2. Academic performance

The applicants should have outstanding academic performance. Proof should be provided through (but not limited to) the following document(s):

2.1 High school/University (if applicable) transcripts (in Chinese or English).

2.2 Certificate of National/Regional Graduation Examination/Matriculation Examination.

2.3 Results of international standard tests(e.g. SAT/ACT/A-Level/AP/IB/others).

2.4 Graduation certificate and degree certificate must be original or provide notarized translations other than Chinese and English.

2.5 Other supporting materials.

3. Language proficiency

The applicants must have good English language proficiency. For those whose native language is not English, please provide at least one of the score reports of internationally, nationally, or regionally recognized English language tests (e.g., TOEFL/IELTS/others).

4. The applicant must be 18 or above (by September 1st, 2022). For the applicants under 18, please bring the relevant supporting documents to the official registration (Please see annex 2 for details).

5. For those who were initially Chinese citizens but later naturalized as foreign nationals, the conditions set by Document No. 83 (2009) of the Ministry of Education of the PRC should be met.

B. Postgraduate Programs

1. The applicants must be foreign citizens with good physical and mental health. The candidate must provide a bachelor diploma.

2. Academic performance

The applicants should have outstanding academic performance. Proof should be provided through (but not limited to) the following document(s):

2.1 Official transcripts (with original Chinese or English notarized documents) provided by institutes of the applicants' highest academic qualifications.

2.2 The transcripts of the national/regional unified undergraduate examination (all modules are taken in the undergraduate course) must be original or notarized. If the transcripts are other than Chinese and English, notarized translation documents should be provided.

2.3 Results of international standard tests (e.g., SAT/ACT/A-Level/AP/IB/others).

2.4 The diploma and diploma certificate (current undergraduate student should provide the expected graduation certificate) must be the original or notarized document. If the documents are other than Chinese and English, notarized translation documents should be provided.

2.5 Other supporting materials.

3. Language proficiency

The applicants must have good English language proficiency. For those whose native language is not English, please provide at least one of the score reports of internationally, nationally or regionally recognized English language tests (e.g., TOEFL/IELTS/others).

4. For those who were initially Chinese citizens but later naturalized as foreign nationals, the conditions set by Document No. 83 (2009) of the Ministry of Education of the PRC should be met.

III Application:

1. Applicants are required to register online, complete all registration information and submit relevant materials per the requirements.

2. Online registration period: December 30th, 2021 - June 1st, 2022. Online registration is available 24 hours a day.

3. The applicant should log on to the website

<http://ccaa.cdu.mcedu.cn/home/login/index.html> within the specified registration time and register per the corresponding instructions.

IV. Undergraduate admission plan (see annex 4)

V. Postgraduate admission plan (see annex 5)

VI. Scholarship

Scholarships are mainly used to finance student tuition, accommodation, living expenses and comprehensive medical insurance.

Chengdu ASEAN Art Scholarship

The "Chengdu ASEAN Art Scholarship" is used to reward outstanding international students from ASEAN countries, other countries along with the "Belt and Road",

European and American countries, and sister cities of Chengdu who have received undergraduate and higher education in art majors in municipal universities.

Undergraduates: 30,000 RMB per year

Postgraduates: 36,000 RMB per year

Chengdu International Friendship City Government Scholarship

The "Friendship City Scholarship" is used to reward outstanding international students from sister cities of Chengdu who have received diploma education or non-education education in municipal universities.

Undergraduates: 20,000 RMB per year

Postgraduates: 25,000 RMB per year

Chengdu "Belt and Road" Government Scholarship

The "Belt and Road Scholarship" is used to reward outstanding international students from countries along the "Belt and Road" who have received diploma education or non-degree education in municipal universities.

Other considerations

Scholarship holder:

1. Must check-in and register following the time stipulated by the College. Those who fail to enrol after the deadline without approval will be automatically disqualified, and their scholarship qualifications will be automatically cancelled. Those who retain their admission qualifications will not retain their scholarship qualifications.
2. Participate in the annual assessment of scholarships as required. Those who fail to pass the evaluation will be disqualified, and the scholarship will be suspended.
3. Whether the application is successful or not, the application materials will not be returned.
4. Each student can only apply for one type of scholarship, and no multiple applications can be made.

VII. Admission

The merit-based admission notice will be issued and sent within ten working days after the evaluation according to the comprehensive assessment of morality, intelligence, and physique principles. A professional entrance assessment is within the enrollment process.

VIII. Enrollment

New students should enrol at the time specified in the letter of admission. The College shall verify the students' eligibility for admission by making a professional test. For students who cannot enrol at a specific time due to irresistible cause, it is mandatory to present a letter for leave to the College before enrollment. The students who do not pass the test or be absent two weeks after the enrollment deadline will be disqualified.

IX. Course system and graduation:

The study length of undergraduate in College of Chinese & ASEAN Arts is four years, while teaching in Chinese is adopted (some of the modules will take English Chinese bilingual approach). The College will grant graduation and issue a diploma to the students who study within the prescribed length of study, complete the curriculum contents, pass the assessments and thesis defence, and further meet the graduation requirements. Those who meet the conditions for awarding degrees shall be awarded corresponding bachelor's degrees and degree certificates.

The study length of postgraduate in College of Chinese & ASEAN Arts is two years, while bilingual teaching in Chinese and English is adopted. The College will grant graduation and issue a diploma to the students who study within the prescribed length of study, complete the curriculum contents, pass the assessments and meet the graduation requirements. Those who meet the conditions for awarding degrees shall be awarded corresponding master's degrees and degree certificates.

		Environmental Art Design
		Product Design
	Fine Arts	Painting (Comprehensive Painting)
School of Music and Dance	Music Performance	Vocal
		Instrumental performance-Piano
		Instrumental performance-Violin
		Instrumental performance-Cello
School of Film and Animation	Radio and Television	New Media Art Communication

Annex 5: Standards for undergraduate professional assessment

I School of Fine Arts and Design

Assessment materials for undergraduate candidates applying for School of Fine Arts and Design:

1. Candidates who apply for Product Design Major should submit at least six works representing their professional level, including sketch, colouring, creative graphics, product design (can be furniture, crafts, home appliances, jewellery creation, etc., it is better to have a structural design), etc.
2. Candidates who apply for a Visual Communication Design Major should submit at least ten works representing their professional level, including sketch, colouring, advertising design, brand image design, digital media design, etc.
3. Candidates who apply for Environmental Art Design Major should submit at least ten works that can represent their professional level, including sketch, colouring, interior design, landscape design, etc.
4. Candidates who apply for a Painting Major should submit three sketches and three colouring works, including one piece representing a person's character. Furthermore, one to three personal creation works with no subject limitation.

Notes: After enrollment, the School of Fine Arts and Design will conduct a professional test for 2022 undergraduate students. Should there be plagiarism and fraud problems in submitting materials, the College has the right to withdraw the student from the school.

II School of Music and Dance

Assessment materials for undergraduate candidates applying for School of Music and Dance:

1. Music Performance

(1) Candidates can only fill in one of the directions for the entrance assessment of musicology major and must upload videos within the specified time of registration and complete the registration.

(2) Video recording requirements:

① Content

Violin: 4-octave scales, one virtuoso piece with piano or caprice by N. Paganini, one slow romantic piece.

Cello: 3-octave scales, one etude or caprice from Popper or Piatti, one prelude and one other movement from Bach Suite No. 4, 5 or 6, one movement of a standard concerto piece.

Piano: One virtuoso Etude, one movement of a Classical Sonata, one polyphonic work, one piece of free choice.

Vocal (bel canto): A program selection consisting of songs and arias: One song or aria in English, one song or aria in Italian, one song or aria in German or French, one piece or aria in Chinese or native language.

Vocal (pop): One song in English, one in Chinese or native language.

② The music videos must be complete scores with a full-length shot. The sound and image of the video should be recorded simultaneously. The videos must not be edited by the means such as conversion, cutting, clipping, and embellishing.

③ A light-coloured background should be used during the recording; the record shall start from the candidate's front face (like the ID photo) and then pull to the full-body view. The video picture should be stable with a clear view of the applicant.

④ The applicant shall be the only person in the video. Accompaniment personnel, suggestive text, pattern, logo, background, or other personal information (the Name, place of origin and school of the candidate, etc.) are not allowed to appear in the video.

⑤ The number of videos is limited to 1 (two works are in the same video), the format is specified to WMV, MP4, AVI, MOV, make sure the sound and image are transparent. The file size is less than 300MB.

⑥ Any violation of any above provisions shall be deemed a breach and may result in disqualification from the preliminary examination.

⑦ Please send the video to the specified E-mail ioccaa@cdu.edu.cn. Please name the e-mail by the order: Name+Program(bachelor or master)+Major+Passport Number.

2. Dance Performance

(1) The height of female applicants is not less than 150cm, and the height of male applicants is not less than 170cm; have a basic dance foundation and can complete basic soft opening movements such as vertical fork, horizontal fork and standing lower back; no physical problems that hinder dance performance.

(2) The Dance Performance Major applicant should submit two video clips of dance performance works representing your professional level. The total length of the two videos is not less than 5 minutes. There is no restriction on dance types except street dance and ballroom dance.

(3) Video recording requirements:

① The dance performance professional applicant's video shall be recorded in the dance rehearsal hall or stage theatre. The applicant shall record in the training suit or formal performance costume. The video shall be recorded in a panorama with stable pictures and music simultaneously and shall not be edited or beautified later.

② The number of videos is limited to 1 (two works are in the same video), the format is specified to WMV, MP4, AVI, MOV, make sure the sound and image are transparent. The file size is less than 300MB.

③ Any violation of any above provisions shall be deemed a breach and may result in disqualification from the preliminary examination.

④ Please send the video to the specified E-mail ioccaa@cdu.edu.cn. Please name the e-mail by the order: Name+Program(bachelor or master)+Major+Passport Number.

Notes: After enrollment, the School of Music and Dance will conduct a professional test for 2022 undergraduate students. Should there be plagiarism and fraud problems in submitting materials, the College has the right to withdraw the student from the school.

III School of Film and Animation

Assessment materials for undergraduate candidates applying for the School of Film and Animation:

1. Candidates who apply for an Animation Major should submit a set of fine artworks (at least ten works including sketch, colouring, and other representative personal works), as well as relevant supplementary materials (explanation and highlighting the content in work).

2. Candidates who apply for a Radio & Television Directing and Editing Major should submit a set of film and television works, including video works of film and television, a script of film and television literature (translated into Chinese) and other representative individual works. The applicants may also submit relevant

supplementary materials (explanation and highlighting the content in work).

3. Candidates who apply for a Digital Media Technology major should submit a set of digital media works (including personal works such as digital media works), and submit relevant supplementary materials (for example, the theme and content of the works, personal contribution in the works, not less than 2000 words, in Chinese or English). Digital media works mainly include (one out of three): ① Static design: visual communication, product modeling, IP image, space design, etc. ② Dynamic video: short video, digital video, etc. ③ Interactive experience: interactive design, interface design, interactive devices, interactive picture books, reading books, e-books, other interactive digital content, etc.

Notes: After enrollment, the School of Film and Animation will conduct a professional test for 2022 undergraduate students. Should there be plagiarism and fraud problems in submitting materials, the College has the right to withdraw the student from the school.
