

Leshan Vocational and Technical College

2024 International Student Admissions Brochure

Introduction of Leshan Vocational and Technical College

Leshan Vocational and Technical College is located in Leshan City, Sichuan Province, about 120 km from Chengdu, the capital of Sichuan Province, and 41 km from the "World Natural and Cultural Heritage" Leshan Buddha and Emei Mountain.

Founded in 1951, Leshan Vocational and Technical College is a comprehensive full-time public higher education school organized by Leshan Municipal Government and a high-level higher vocational school

in Sichuan Province. The college offers 50 majors in the fields of medicine and health, finance and management, tourism management, electronic information engineering, mechanical and electronic engineering, new energy, etc. It has one directly affiliated hospital. The college aims to cultivate high quality technical skill talents and has more than 14,000 full-time students.

In recent years, our college has established friendly cooperation with 82 universities or institutions in Thailand, Laos, Japan, Nepal, Zambia, the United States, Taiwan, Hong Kong and other countries and regions, and has been conducting exchange visits and further studies for teachers and students throughout the year. In 2011, we were the first college in Sichuan province to recruit international students. The college can provide international students with three-year academic education, one-year Chinese language training, non-academic skills training and short-term student exchange programs, covering medicine and health, finance and management, engineering and other professional education and skills training, as well as Chinese language, martial arts, calligraphy, painting and other Chinese cultural courses. In July 2014, the college was awarded the honorary title of "Advanced Group of International

Students Education" by Foreign Students Management Branch of Chinese Higher Education Society. In 2018, the college won the Second Prize of the Eighth Higher Education Teaching Achievement of Sichuan Province for "Aiming at the National Strategic Needs, Innovating the Cultivation Model of International Students and Building the Highland of Cultivating Talents on the Belt and Road"; in 2019, the college won the "Contribution Award of Sino-Thai Vocational Education Cooperation" by the Vocational Education Committee of the Ministry of Education of Thailand; in 2021, the college became the first batch of Sichuan Province. In 2019, the college won the "Sino-Thai Vocational Education Cooperation Contribution Award" by the Vocational Education Committee of the Ministry of Education of Thailand.

We are happy to welcome students from all over the world to join Leshan Vocational and Technical College. Study at Leshan Vocational and Technical College, experience the natural beauty and history of China, and acquire the knowledge and skills to fly high!

Admissions Program:

The following program options are available for international students to study at Leshan Vocational and Technical College:

Projects	Academic	Tuition (per person per year)
----------	----------	-------------------------------

	Structure	
Three-year college (academic system)	3 years	RMB12,000 (outstanding students can apply for college scholarship)
Language Student Program	1 year	RMB12,000 (outstanding students can apply for college scholarship)
Exchange Student Program	1 year	Fees will be negotiated between the partner school and our school

Caution:

1. Applicants must be non-Chinese citizens in good health, have a valid passport, be over 18 years old, have a Chinese language level equivalent to HSK3 (Note: HSK4 certificate is required for admission to medical majors), and be willing to abide by Chinese laws, respect Chinese social customs and the rules and regulations of Leshan Vocational and Technical College.

2. Each academic year of Leshan Vocational and Technical College is divided into spring and fall semesters. The fall semester is intended to begin in October and end in February, and the spring semester is intended to begin in March and end in June (according to the actual academic calendar). There are summer and

winter vacations each year, with summer vacation generally lasting two months and winter vacation lasting four weeks, usually following the timing of the Chinese New Year.

3. **Three-year diploma program:** Students must successfully complete the three-year study course, complete the specified credits, and will receive a graduation certificate after passing the examination.

Exchange Program: Only for institutions with which we have inter-university exchanges, students must study at least one year at a university or college in their own country and be recommended by the university to participate in this program.

Short-term Chinese Language Program: Students are required to complete a one-year course on Chinese language, which covers Chinese language teaching, Chinese culture and Chinese culture derivative courses.

4. All international students are required to purchase medical insurance throughout their studies to ensure their health and safety.

Application Process.

1. Submission of application materials

1.1 Application Period: Expected fall semester
April-July 2023

1.2 Fill in the application form of Leshan

Vocational and Technical College, please attach passport-style photo

1.3 Original voucher or certified copy of high school diploma in Chinese or English (students who have not yet graduated should provide an official letter stating the expected date of graduation)

1.4 Transcripts during the school period, which should include courses and credits taken (original or certified copies of documents in Chinese or English)

1.5 Three copies of a valid passport (passport type must be ordinary type)

1.6 5 passport photos
